

Spring Break Camps 2025

Note: 4K-K are Half-Day Camps

Grades 1-6 Are Full Day Camps

24-Mar

Grade	Title	Description
4K-K	World of Colors	Light up your world with a rainbow of experiments.
1st-3rd	Not-So-Creepy Crawlies	What's that sound? It's the buzz of excitement as we unearth the tiniest superheroes of the animal kingdom.
4th-6th	High-Tech Harvest	Get ready for a plentiful harvest, folks! Cultivate an understanding of the tools and tech of agriculture.

25-Mar

Grade	Title	Description
4K-K	Farm Frenzy	Roll up your sleeves and rev up your tractor! From farm to table, explore the science that goes into growing food we eat.
1st-3rd	Artistic Science	From light to pigments, no matter the media – science will help us get creative.
4th-6th	Make Maniacs	From cardboard creations to 3D printing, build futuristic designs and unleash your inner inventor

26-Mar

Grade	Title	Description
4K-K	The Buzz on Bugs	Meet your itty-bitsy neighbors as we explore a world beneath our feet.
1st-3rd	Springs and Sprockets	Gear up for an engineering adventure as we use cutting-edge technology to bring our imaginations to life.
4th-6th	Totally Sick Science	Scrub in and get set as we take a totally sick journey through the body.

27-Mar

Grade	Title	Description
4K-K	Ah-Choo!	Step right up, ladies and germs, and enter the magnificent microscopic world all around us.
1st-3rd	Growing Green.	Time to imagine the farms of the future. From backyard gardens to industrial agriculture, discover the STEM in farming
4th-6th	Art Attack	Art informs science in today's camp, from performing arts to computer-generated painting.

28-Mar

Grade	Title	Description
4K-K	Tinker, Tinker Little Stars	Make it, break it, and take it to the limit in our crafty engineering camp.
1st-3rd	Spring Fever	Get to know your nose as we explore the sneezy science of Spring.
4th-6th	Buggin Out	Whether they skitter, flutter, or fly, there's lots to discover about the buzz worthy lives of bugs.
